Biography

Garient is a British actor, recording artist, songwriter, music producer and creative professional whose career spans theatre, television, live performance, publishing and professional audio production. Combining artistic creativity with technical expertise, he has built a diverse career across the entertainment industry.

As an actor, Garient has appeared in national theatre productions, television commercials and professional stage performances. Alongside his acting career, he has performed as a singer-songwriter, touring the UK, New York and having peering on a compilation album by a Hollywood label.

An accomplished songwriter and producer with publishing agreements over the years, Garient writes, records, produces and engineers his own music from his own studio. He has also appeared in bands over the years and is current a member of 'The 2nd Chancers'. Supported by a background in Creative Music Technology, he continues to develop projects across acting, music, voice work and creative production.
